IMPLEMENTATION CALENDAR

> submission with a note of intent between 15 November 2023 and 22 December 2023 inclusive to the following address: selection.off@chalondanslarue.com

The *Festive venues* are sites run by groups of companies or cultural associations. Throughout the festival, they offer manage a whole site which combines a program of shows, scenography, music and a festive atmosphere...

NB - It is possible to locate these venues in a circus marquee (one or several on the area), or in closed spaces such as schoolyards.

Applicants wishing to organise a *Festive venue* should contact Lucile Chesnais (whose in charge of coordinating the *Sélection Off* and the *Festive venues*) by email before submitting their application.

TERMS OF REFERENCE

The proposal for a *Festive venue* must take account of the following criteria (which must be included in the note of intent):

- a programme of shows (which will be studied by the festival selection committee)
- technical ability and autonomy
- a scenographic proposal
- *a friendly, festive atmosphere*
- proposal for catering and beverage facilities
- measures to prevent and combat sexist and sexual violence (SGBV) when welcoming the public, to be coordinated with the protocol put in place by the festival organisers
- a focus on the ecological transition (waste sorting, local products, etc.)
- «carte blanche» for the concerts (in discussion with the festival). The musical genres of the concerts are important and must be diversified: the *Chalon dans la rue* festival remains a convivial festival accessible to all.

What the festival offers:

- support in setting up the collective
- technical and logistical support (which will be evaluated according to the number of venues created)
- visibility on the communication media
- the collective managing the venue keeps the income garnered from the food and beverage sales.

INFO:

- The companies included in the program proposal must apply for the *Sélection Off*. Their show must therefore meet the criteria of the *Sélection Off*, in particular the year of the creation of the show must be between 2019 and 2024.
- The choice of collectives will also depend on the number of sites available, thus limiting the number of festive venues selected.
